AMERICAN LEGION POST/UNIT 66 NOVEMBER 2024 NEWSLETTER

It has been a busy summer for the American Legion Post/Unit 66 of Athelstane/Silver Cliff. The two organizations continue to meet together each month either at the Silver Cliff Town Hall or the Silver Cliff Memorial Park. This is working well as the many of our activities are shared events.

On Sept 7th we held our last outside meeting of the year at the Silver Cliff Memorial Park. Post 66 had a Flag Disposal Ceremony at the end of the meeting. As always there were several flags to be disposed of. This is the proper way to dispose of your flags that are no longer serviceable and need to be replaced with a new flag. The American Legion Post 66 has a light blue "Mail Box" used for collecting old flags. It is located outside close to the front door of the Silver Cliff Town Hall. Please feel free to put your unusable flags that need to be disposed of in the "Mail Box".

The Annual 2024 Chili Fest was held on September 28th and was our last big outside event for 2024. It was well attended by the local community as well as 320 Duro Sport Riders. We had twenty-seven Nescoe's of different soups and Chili's this year. There was a wide variety to choose from. The soups ranged from Mom's Chicken Dumpling Soup to RAGING HOT Chili! Everything was gone by the end of the day. We had baked goods, pies and ice cream for sale for all in attendance. All proceeds of the Chili Fest are used for scholarships for local students.

The Annual Soup Contest had seventeen entries this year. They also had a successful afternoon with the majority of the soups gone by the end of the day. The contest draws more interest each year. There are a lot of people who enjoy cooking up their favorite recipes each year in the hopes of winning that prized trophy! There are six trophies awarded each year: three for the **People's Choice** and three for the **Judges Choice**. Congratulations to all of them and thank you to all who participated!

This is the list of the winning entries:

Peoples Choice:

- 1 st Place - Shrimp Corn Chowder – Scott Lotter
- 2 nd Place - Jalapeno Popper – Nathan Kirst
- 3 rd Place - Spicy Chili – Tom Bacon

Judge's Choice:

- 1 st Place - Jalapeno Popper – Nathan Kirst
- 2 nd Place - Venison Barley – Suzie Miller
- 3 rd Place - Tomato Basil – Kris Wszelaki

At our October meeting, we critiqued what worked well for the Chili Fest and what needed improving. All of the comments were written down to take into consideration for 2025. Some of the suggestions pertain to both Memorial Day and the Chili Fest. One suggestion was to have parking lot attendants to maintain consistent parking in the area. The size of the parking lot has increased since the tornado took down many of the trees in the area. Not everyone is familiar with the new boundaries now.

At the November 2nd meeting we had a Veterans Day Celebration to honor all of our local Veterans. This is an annual event that the American Legion Auxiliary hosts each year. It is a full meal including

chicken, mashed potatoes, gravy and all of the fixings that go with it. It was a great meal and all enjoyed the morning.

On November 11th, all Post/Unit 66 members are invited to the Veterans Day Program at the Wausaukee High School. It starts at 9:45 but the doors will be open at 9:00AM for us to be seated. It is usually a great program and our Post 66 Members are seated on the stage as their guests of honor.

On Thursday, November 21st, Unit 66 will be having their Annual Deer Hunters Bake Sale at Firelane Bar. All members are asked to bring their baked goods or other items to be sold to Firelane by Noon on the 21st to have them marked and readied for the bake sale at 2:00PM. All proceeds from the Deer Hunters Bake Sale are used to purchase gifts for the "Christmas in July" program for the residents at the Oscar G. Johnson Veterans Facility in Iron Mountain.

On Sunday, December 1st, the Post & Unit 66 will be having the Annual Christmas Dinner to be held at Rene's Dining Room. We will be gathering at 4:00 PM for refreshments with dinner beginning at 5:00 PM. As we have done in the past, we are asking everyone to bring an item for the local food pantry. Each member will be receiving an invitation by mail with all of the specifics of the event.

FIELD TRIP is in the planned for November of 2025!! The date has not been set but will be in the next few months.

The Ninth District of Wisconsin is arranging a trip to the War Memorial Center in Milwaukee. The plan is to have tour buses have a pick-up area here in Marinette County. We would join others in Outagamie County and continue from there to Milwaukee. There will be an additional stop at a yet to be determined at nearby attraction as well. If you are interested in participating in this bus ride, contact Dee Farley. More information will be coming in the next few months.

There was a discussion regarding the work that was done to clean up the Silver Cliff Memorial Park prior to ALL the events that were held there this year and how our disbursement of funds to assist in paying for that clean up should be considered, which we all agreed to.

An audit will be conducted on October 21st at Ann Wenders house due to time constraints.

HAVE A GREAT THANKSGIVING AND A VERY MERRY CHRISTMAS FROM BARB & ANN.

The Silver Cliff Fire and Rescue Auxiliary would like to “Thank” all the wonderful folks who were a part of our 47th Annual Picnic and Parade.

The town of Silver Cliff is very fortunate to have such AMAZING support that encompasses not only our small community but surrounding communities as well. Beginning with the generous donations from area businesses and area artisans who pride themselves on supporting our volunteer organizations and assisting us in meeting our monetary goals, these donations are offered to the public at these events as raffles. The profits that are generated by these raffles are returned to the community in multiple ways including scholarships for our local youth. Thank you to ALL the Businesses that have supported us and all we do!

We are fortunate to have an amazing network of volunteers, new and well-established, that are willing to go the extra mile to ensure customer service at our events. Our volunteers are also very knowledgeable about many facets of our events, they keep their eyes and ears open so when we do a post event evaluation, we are able to hone in on what would best help improve our event's success. Not to mention the delicious baking volunteers out there that donate to these events, which explains why the baked goods are usually the first to sell out! Without our volunteers none of these events would be possible, volunteers ensure our success in serving our community. Thank you to All the Volunteers that sustain our organizations with their unwavering dedication.

Lastly, we would like to thank our greatest supporter, the event Participants! We appreciate each and every event goer who is happy to come to these fun filled events full of great raffles, great food, great novelties, and great people! If it was not for the public participants and their unwavering support none of this would be possible. Thank you so much EVERYONE!

Everyone is invited to the

Now we had to transfer the money out of the account into the town account and then send it to the vendor and not sure how we will do it in our books.  - a. **Discussion/ motion: There was a presentation by WTA Jake and we asked about the length of time we need to keep video/ surveillance found in WMRS pg. 46 so, where we have security cameras those**

recordings need to be saved for 4 months. Also, should be done for board of review, right now you cannot release them before 120 days. We will review how the cameras work and if they loop. You could also use a server but it would be an added expense. Because it is a public record, we need to see how to preserve the recordings.

It has been allowed to carry over vacation without any limit. But according to our handbook we need to revisit the policy for no more than a two-week amount and very few reasons for us to carry over more than two weeks. Sick day policy and it says that they can accumulate up to 600 days to carry over. 1 sick day per month. No strobe light, one red light one break light, etc. that were in the clause. Land owners who agree to have trails on their land they are liable. Signed by Dee, Jay, 081022-1 ordinance number by the county will be adopted. A motion was made by Dee and second by Jay motion carried.
 - b. Any amendments: We need to post it in the paper. The town is responsible for this signage so, we will need to change or remove our old information and times for riding.
11. Discussion and possible action regarding possible progress with assessor ads
