Regular Town Board Meeting

Tuesday December 9th, 2025, at 7:00 p.m. located at the Silver Cliff Town Hall, Marinette County WI

**Reports/ Updates**

12. Chair Report - Insurance is not canceled as explained to by Rural Mutual's Rep Ben Anchuetz
  - a. Special thanks to Ricky Starchowitz for stepping up and helping out while Jeff DeBauche is recovering from hip surgery and is currently on light duty and Kasey Hayden being out for back surgery.
  - b. Special Note that Dr.'s releases are needed for all returning to work.
13. Supervisor 1 Report - Jim Fencl brought up the LRIP program. Jim also will be checking with WTA about who can do the snow removal. Tim Mueller informed us that he can't get a fuel supply truck at this time. Additional discussion about snow removal in areas that are questionable if they are our adopted road/ highway system and that there were some complaints about us not plowing past "No Trespassing" signs at a gate. It was determined that our plow drivers only need to be concerned with town roads and if a road is gated off we do not go past that.
14. Supervisor 2 Report - Scott Volkmann congratulated Keith Gilbert's appointment as Chair of Community Center. Scott also told us that he was looking into funding for various things for the Community Center such as an Information Center however to date he is only finding funds that have to be matched by the Municipality so he will continue to seek other financial/ grant opportunities. Scott also noted that Spectrum is still working on getting conduit put in and there have been some complaints about yards being destroyed and apparently Brightspeed cut a line, people want to know what the Town is going to do about it, unfortunately there is nothing we can do because it is not something we ordered or requested and they are independent from us so all complaints need to be directed to Brightspeed or Spectrum.
15. Treasurer's Report - checking \$21439.71 MM 219759.55 tax 10.99
16. Constable's Report - Sabin Rosenbaum reported that there is a conflict between property owners on Camp 10 rd regarding the ingress/ egress issue concerning a driveway, even though Sabin tried to help them resolve the issues it appears both parties are going to court
17. Planning Commission Committee Report - Chair Sabin Rosenbaum has short term rental drafts for review and feedback which was given to the board members. The planning commission is also working on an ordinance that they adopted from Rome, WI regarding the seasonal weight limit ordinance and look forward to the board feedback and they plan on attending another meeting at the end of December, to determine the weight limit from Athelstane. Supervisor Jim Fencl is asking about the weight limit. Also a variance was issued for a camper being replaced with a more modern camper and recommend that we approve the variance. The planning commission is also still working on short term rental ordinance and possible fees, they hope to have a draft ready by the next town board meeting. The planning commission is planning their next meeting to be held on December 22nd.
18. Recycling Committee Report - No meeting no report
